

2007 Middle Class STAR Rebate Program

A Middle Class STAR rebate is available for homeowners who receive the basic STAR exemption and all property owners receiving Enhanced STAR.

Property owners receiving basic STAR must apply. Beginning the week of September 10th property owners in Ulster County will be mailed applications for the rebate. Everyone must wait to receive an application as it will contain a STAR code, which will identify their property to the New York State Tax Department. It is possible, and recommended to apply online. However everyone must wait until they receive their application by mail indicating the STAR Code to apply online.

Property owners receiving Enhanced STAR will receive their rebate checks automatically, beginning the week of September 3rd.

Rebate amounts are determined by the 2005 combined incomes for all resident property owners and their spouses.

The income brackets and rebate amounts for the basic STAR rebates are:

2005 combined income (federal adjusted gross income less IRA distributions)

	Bracket 1 Up to \$90,000	Bracket 2 over \$90,000 and up to \$150,000	Bracket 3 over \$150,000 \$250,000
Rondout School District	\$465.95	\$349.47	\$232.98
Ellenville School District	\$573.81	\$430.36	\$286.91

The deadline for filing is November 30, 2007

Enhanced STAR Recipients

Rondout School District \$367.66

Ellenville School District \$452.76
