Planning/Zoning/Comprehensive Plan update
Code Task Force
August 10, 2006
Meeting Notes

Attending: Tom Shepstone, Mike Baden, John Dawson, Steve Fornal, Beverly Schoonmaker, Brenda Striano

Meeting was called to order by Mike Baden

John Dawson was welcomed as a new member. A copy of the working draft of the revised Subdivision Code has been given to him. John said he had only been able to review a small amount but would read it further before the next meeting. He indicated what he had read so far he had no issues or questions with.

Highway Superintendent Wayne Kelder was out of town and unable to attend. An attempt will be made for him to attend the next meeting so the Task Force may discuss Road Standards with him.

The Task Force members were given a CD ROM of the report and presentation that was given to the full Planning and Zoning Committee the night before by Steve Winkley from the NY Rural Water Association. His report was discussed briefly but will be taken up further after everybody has time to review the materials.

The Task Force began a review of definitions in the existing Zoning Code. The definitions beginning with "A and B" were discussed with some modifications and updates suggested. The plan is to continue this review at the next meeting.

Next meeting is September 7, 2006 at Community Center, 5:00 – 6:30 PM
