Code Task Force

April 26, 2007
Meeting Notes

The meeting started at 6:15 PM.

Attending were Code Consultant Tom Shepstone, Mike Baden, John Dawson, Jerry Davis, Bill DeGraw, Steve Fornal, MariJane Knudson, and Brenda Striano.

Also present: Supervisor Pam Duke, Councilman Francis Gray

The meeting began with a review of comments and concerns from the public information meetings. A few parcels on the draft zoning map had zoning districts changed (either due to being misidentified or upon further review). The Task Force discussed the meeting comments.

The chair then recognized the public to speak and heard several comments and questions.

Tom Shepstone provided the text for the beginnings of discussion on Chapter 140 (Zoning Law). The task force reviewed and discussed the first section. Much more discussion will take place in the coming meetings.

A discussion was held to determine the time frames and the next step of action for the task force. It was determined that the Task Force will hold regular meetings (see below) and endeavor to present the zoning law in public information type meetings in late June or early July. After which it would be reviewed again and then passed on to the Town Board, the Ulster County Planning Board, and undergo SEQRA review.

Meetings were scheduled for May and the beginning of June.
