Consultants	
Peter Fairweather,	

1. Code Task Force – Mike Baden reported that the Task Force is working on both the Town and Zoning maps and looking at doing an overlay of the flood plains in our town. They also are discussion Conservation Subdivision as options for developers. They are also discussing the buildable acre vs. the acre in regards to the density concern. Next meeting will be May 2 and May 22 both at the Town Hall at 7:00 pm.

2. Outreach meetings – Strategies and Marketing

The committee reviewed the agenda and logistics of the four upcoming meetings. It was suggested that the information be submitted into the Kingston Freeman, Times Herald and Ulster County Press. Also have flyers available at the Transfer Station to be handed out.

Monday, April 17, 2006: Accord Firehouse (Main St., Accord)

Tuesday, April 18, 2006: Alligerville Firehouse (Creek Rd.)

Thursday, April 20, 2006: Rochester Town Court (Samsonville Rd.)

Monday, April 24, 2006: Rochester II Firehouse (Samsonville Rd.) Monday, April 17, 2006:

All meetings will start at 7:00 pm

3. Next Steps – Peter shared that at our next committee meeting, April 26th, he will have compiled his notes from the four outreach meetings. From these and our thoughts, a draft of the Comprehensive will be compiled. Once this is completed, we will schedule our next series of outreach meetings to present this plan.

4. Public Comment Period – Stella Miller asked if anyone in the Town has called to get involved with this process. Our answer is that the committee welcomes suggestions. The draft of the Comprehensive Plan is a work in progress.

Next meeting: Wednesday April 26, 2006, Town Hall 7:00 – 8:30 p.m.
